2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: the markings indicating what is to be amended appears to be incorrect based on the previously submitted amendment of 12/16/05. Applicant is reminded that all the text from the previous amendment must appear in the new version of every amended claim. Then any words or phrases being cancelled or removed from the claim must have a strikethrough marking and any new words or phrases being added to the claim must be underlined. For example, the amendment of 12/16/05 has the last line of claim 1 underline and read "...inpatient stay appropriately to obtain an accurate payment"; whereas, the last line of claim 1 in the present amendment has a strikethrough marking and reads "~~classify an inpatient stay to obtain a payment~~". It should be noted that certain words, albeit marked with a strikethrough, are missing between the previous amendment and current amendment. It should further be noted that this is merely one example and is not an exhaustive list.
